

Admittance Policy

The admittance policy below covers some of the expectations for our guests at Marcus Theatres. It is not intended to be comprehensive, but rather a list of the more common issues affecting the safety and enjoyment of all of our guests and associates. We reserve the right to modify it from time-to-time at our discretion.

Family-friendly setting: To create an environment appropriate for all ages, Marcus Theatres asks that guests do not use profanity or engage in disruptive or threatening behavior. Avoid wearing attire that includes offensive or vulgar messages. In addition, please do not loiter in or outside of our theatres.

Bags: While we generally prefer that our guests leave large bags, backpacks, packages and the like in their vehicles, we appreciate that sometimes these items are necessary. We reserve the right to search certain items prior to admission, including backpacks, laptop cases, suitcases, and other large packages. We also reserve the right to prohibit any such items on a case-by-case basis.

Smoke-free Environment: All Marcus Theatres' locations are smoke-free, meaning that smoking, including e-cigarettes or other smoking devices, is not permitted within our buildings or on our premises unless a specific area is designated.

No Carry-in Food & Beverages: No carry-in food or beverages are allowed.

Movie Rating Policy: Marcus Theatres supports the Motion Picture Association of America (MPAA) rating system. It is our policy that children under the age of six are not allowed in R-rated movies at any time. For more information on the rating system, go to <https://marcustheatres.com/rating-policy>.

Alcoholic Beverages: For Marcus Theatres that sell alcohol, please be aware that we will be diligent in enforcing policies relating to the sale of alcoholic beverages, including the "We ID Everybody" policy.

Costumes and Masks: No costumes or masks that cover an individual's face will be allowed.

Guidelines within Auditoriums: Be courteous to the people sitting near you. Please refrain from talking during the feature presentation and avoid using cell phones and electronic devices while in auditoriums.

Films are Copyright Protected: No recording devices may be used inside auditoriums.
